

# *Thousand Trails*

*To Our Members:*

*The summer season is fast approaching and the staff is preparing for your arrival at the end of the month and through the season. We will open for the season on April 29<sup>th</sup>.*

*As some of you are aware we are an Encore location and will be open to the public this season. This applies only to overnight camping and not to day use. We have received very positive feedback on this from past guests, local businesses and visitors' bureaus and believe it will have a very positive impact on campground usage and exposure to more guests. Guests of members are still able to use the two night guest program at a lower rate and then switch to public rates for other visits.*

*We are continuing to sell camping memberships and have an outstanding package deal for anyone interested in doing extended stay while having the ability to travel to other locations. If you have anyone interested in any of these programs, please have them contact the park.*

*In the meantime, get out and enjoy the nice weather, get the rigs ready and we will see you at the end of the month,*

*Happy Camping!*
