

New Special Offer!!!

Starting on September 19, 2008, the Morgan Hill Preserve will be making at least five of the existing vacation trailers, and/or the sites that they are located on, available to our members. The 29 foot Mallards on sites 136, 137, 138, 139 and 140 are priced at \$2,995.00.

A new one year lease is now available on this site for \$4,000.00 and you can occupy the unit up to seven months. You may also lock in the rate for up to three years.

Another new approach to this program is that you may lease the site without purchasing the vacation trailer and place your own unit on it.

For more information, contact Eddie at the Morgan Hill Preserve Headquarters building (or call 408/779-6396).
